

The Aga Khan University Hospital

BMI CONFERENCE

Dr. Mativa B.M

Interim C.M.O & Ass. Dean Clinical Affairs

The Aga Khan University Hospital

The first hospital in Kenya Accredited by
Joint Commission International, USA

Did we realize the set objectives?

I have no doubts that we did.

- We brought together leading experts in the field who share their knowledge and experience in addressing brain health issues, especially in LMICs.
- We exchanged pioneering brain health research that could and does inform evidence-based practices.
- We have, and continue to raise awareness of the current state of brain health in LMICs

The Aga Khan University Hospital

The first hospital in Kenya Accredited by
Joint Commission International, USA

Did we realize the set objectives?

- We identified the challenges faced in providing adequate brain/mind healthcare.
- We explored innovative solutions and strategies for improving brain health care and research.
- We planted the seed for enhanced collaboration among stakeholders to promote the integration of brain health into overall health systems.

The first hospital in Kenya Accredited by
Joint Commission International, USA

Was it value for money and time?

- YES, it definitely was!
- We are grateful and proud to have been platinum sponsors of the conference
- We underscore our continued commitment to multisectoral efforts to promote brain and mind health.
- A lot more remains to be done...lets keep the focus and upscale the conversation.
